Introduction

Your input is appreciated. If you have information to add, please forward it to: MCSpiegel@aol.com [<mailto:MCSpiegel@aol.com>].

Organizations working in the field which may be able to provide useful information:

- The Center for Prevention Sexual/Domestic Violence [<http://www.cpsdv.org/>](www.cpsdv.org) has changed its name to The FaithTrust Institute. Rabbi Cindy Enger is the director of the Jewish program
- Jewish Women International [<http://www.jewishwomen.org/>]
- Israeli mental health [<http://www.maytal.co.il/english/>]
- L.O. Combat Violence Against Women [<http://www.no2violence.co.il>]
- The Awareness Center/The Jewish Coalition Against Sexual Abuse/Assault [<http://www.theawarenesscenter.org/>]

Because of the increased reporting of incidents of abuse in the Jewish and general press, it is no longer possible to maintain a list of such articles. In addition to daily papers in major cities, the following periodicals can be useful in searches:

- JTA's Jewish News (Daily)
- JTA [<http://www.jta.org/>](Jewish Telegraphic Agency)
- Jerusalem Post [<http://www.jpost.com/>]
- Jerusalem Report [<http://www.jrep.com/>]
- The Journal of Religion and Abuse, Haworth Pastoral Press includes articles about Jewish issues. See www.HaworthPress.com [<http://www.HaworthPress.com>] for complete index of articles.

Those articles marked with ** are the most comprehensive. Articles printed in **bold** are particularly useful resources.
